Pastor's Pen

On Sunday, January 27, Kay and I were introduced to the church body as Pastors for the senior adults. I want to personally meet each one of you before and after services and other times as we can get together. Since I have also been classified as a "senior" I asked myself, "What does that mean?" The main thing it means is that we have survived! We have lived through riding in the back of open pick-ups, times before seat belts, raising our kids, life without television, internet and cell phones, church being the only activity allowed, changes of religion and church and through innovation, integration, separation, education, mobilization, creation and computerization. All in all, we have survived!

This year must be a year of spiritual growth for I do not want a carbon copy of 2007. I refuse to remain the same. I was created as a triune being—spirit, soul and body. I want to grow spiritually so that the other parts of who I am will flourish. God told is in III John 2 that, "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." The key to prospering and good health depends on your relationship and fellowship with God.

Dan McLeod

God created us for fellowship and relationship. The angels are confused about our relationship with Him. Psalm 8:4 (KJV) "What is man that thou art mindful of him? And the son of man that thou visitest him?" Job 7:17 (KJV) "What is man that thou shouldest magnify him? And that thou shouldest set thine heart upon him?"

So, please be a part of our "Bridge Builders" (Seniors bridging the gap to the next generation.) We should leave something of God in the generation that will follow us!
